Mentoring Program

Mentoring is an important method to increase skills and it works for both the mentor and the mentee! Register now and enhance the experience base you need to continue forward in your project management career.

Active Mentoring Program participants will be able to:

- Solve complex problems within your work environment
- Help advance your career path or build your business
- Lead you to new prospects
- Allow you to establish a long term coaching relationship
- Gain valuable insight and guidance on the path to PMP certification
- Earn PDUs to maintain PMP certification

To learn more about our mentoring program, please visit our Community web page <http://is.vc.pmi.org/>

Kate Rehkopf, PMP
Associate Director-Mentoring Program

PMI IS CoP – Recorded Webinars

- As part of its professional development initiatives, the IS CoP would like to promote unfettered access to its valuable Webinar content by providing them in the form of recorded webinars.
- This will enhance learning opportunities by allowing several dozen premier webinar presentations to be accessible 24x7, thus catering to diverse audiences.
- The aim is to foster continuous learning and awareness in project management by making available presentations from distinguished professionals from around the world.
- Attendees can also earn Professional Development Units (PDUs) towards maintaining their PMP credential.

Please visit the Webinars page at <http://is.vc.pmi.org/Webinars.aspx> for all the recorded webinars.

Satya Sridhar, MCA, MS, PMP
Associate Director-Recorded Webinars

PMI IS CoP – Virtual Professional Development Program

Our mandate is:

- To meet the professional development needs of our members
- To reach a wide spectrum of our members through virtual events.
- Plan and host virtual events that can be attended by all members irrespective of their geographic location or time zone.
- Invite prominent IS/IT project management speakers and thought leaders to virtual events to share their insights, knowledge and experience with our members.

To volunteer please contact:
Jaideep Kala, Associate Director – VPDS Program
Jaideep.kala@vcleader.pmi.org

Podcast Program

As part of the Professional Development initiatives, the IS CoP is publishing video interviews of prominent project managers working on IT/IS.

The objective of the IS CoP with this initiative is to provide some learning possibilities in a more informal way as you can view and listen to these interviews anytime and almost every where.

The IS Cop also offers the possibility of earning PDU's. Further details are available on the PMI IS CoP website <http://is.vc.pmi.org/>.

Luis Seabra Coelho, PMP

Associate Director – Podcast Program

PhD Support Program

- Support the PhD candidates to survey our membership to aid in their data collection
- Share results with our membership of the survey within a reasonable amount of time
- Provide the communication details to the IS – CoP communications team for better member participation
- Support members with PDU details, if any, that can be earned for the survey.
- Keep a track of member participation for the survey and share the details of the same.

Dhiraj Bellara, PMP
Associate Director - PhD Support Program
PMI IS CoP

Professional Development Award

- Award is to recognize excellent project management in the Information Systems arena.
- Global Recognition Award.
- Open to all Information Systems professionals.
- Nomination procedure and criteria will be found soon at PMI IS CoP website.

James Oni, PhD, MIET, CEng, PMP

Associate Director

PDU Credit for Today's Webinar

1. You will be granted 1 PDU for your participation in today's program. **You will receive a system generated email once your PDU claim has been processed.** Please allow 2 weeks after the webinar.
2. To ensure the system is able to process your PDU credit:
 - Register with your **PMI Member ID** **NOT** your PMP Certification #
 - Register with your full name as listed on your PMI Membership.
 - List the PMI Certification that you hold when registering such as PMP or PgMP. PDUs are only processed for certification holders
 - Attend the Webinar Program for a minimum of 40 minutes
3. If you do not receive an email that your PDU claim has been automatically processed, then you will need to submit a claim for your participation in this event. **Use PDU Category A, Component ID=S010** and this event information for the submission. PDU claims can be submitted at any time during your cycle.
4. Visit our website for more info on claiming PDUs for the webinars:
<http://is.vc.pmi.org>

How to Download Webinar Materials

A PDF of today's presentation is available for download under Supporting Materials. **Click the Supporting Materials button located under the webinar presentation slide to download the PDF file now.**

This webinar is being recorded and will be available within one week on our website. The Supporting Materials will also be available for download when you access the Recorded Webinar at: <http://is.vc.pmi.org/Webinars.aspx>

Technical Assistance

If you encounter audio or video issues during the webinar:

1. Close and restart your browser, then re-login to the webinar. This solves the majority of issues.
2. Verify the audio on your computer is turned on. If audio is not working on your computer, you may listen via phone by dialing: Toll-Free US & Canada Only: **(888) 390-3983** or International Dial-In [Toll]: **(201) 604-5105**. Request connection to the **PMI Webinar**.
3. Submit a question in the Q&A Chat Box and someone from our technical team will assist you.
